

Understanding Dementia Care

Teepa Snow, one of America's leading educators on dementia, will present two informative and engaging programs at the Mount St. Joseph University Theater on September 11, 2019. The founder and CEO of Positive Approach® to Care, Teepa provides dementia care training, services and products around the world, helping people with changing brains live fully and well with caring and knowledgeable supporters.

The presentations are free of charge and open to the public.
